Payment Requirements

Thank you for choosing Urology Consultants, Ltd. Our Physicians are providers in most PPO and HMO managed care plans as well as commercial insurance plans in the states of Missouri and Illinois. We accept Medicare Assignment. For your convenience we also accept payment by Visa or MasterCard.

If you are covered by an HMO insurance plan you will need to have referral from your primary care physician. It is **your responsibility** to provide us a paper referral or a referral number. You will need to contact your primary care physician's office to obtain your referral.

Most insurance companies require the patient to pay a copayment when visiting their physician or specialist. The **copayment is due at the time of the visit.** Please be prepared to pay your co-pay at the time you register.

If you are not covered by a health insurance plan the fee for your visit is due on the day service is rendered. If surgery is required you will need to arrange payment with our billing office **prior** to the scheduled procedure.

If you have any questions regarding our payment requirements you may call our billing office at 314.567.0967 or 1.800.776.5335 between the hours of 8 AM and 4:30 PM, Monday through Friday.

We look forward to providing your medical needs.
